## All proceeds from the tournament support

*The Working Centre's* Queen Street South resource centre has been providing support to the unemployed since 1982. Over 300 people per day use the resources offered by the Centre, including customized supports for laid off workers, a job search resource centre offering telephones, voice mail, computers, newspapers, employment counselling and job search support. Other projects include Recycle Cycles, Self-Directed Computer Training, Computer Recycling, BarterWorks, and supportive, affordable housing. Visit our website at [www.theworkingcentre.org](http://www.theworkingcentre.org).

*St. John's Kitchen* offers a place of hospitality and support while serving a hot daily lunch to over 300 men, women and children who gather each weekday. St. John's also provides a breakfast, food distribution and individual support. This includes on-site access to psychiatric and medical care through the Psychiatric Outreach Project and the medical clinic. Most of the volunteers are also people who come to dine with us. The work of producing the daily meal is also the work of building community.

**Individual Golfers Welcome! We can assist in putting foursomes together.**
