

Mayor Carl J. Zehr

and

Mayor Brenda M. Halloran

cordially invite you to attend

The Twenty-Third Annual Mayors' Dinner

in honour of

Lynda Silvester

sponsored by:

In celebration of their 65th Anniversary, Hallman Construction joins us as a special sponsor in honouring Lynda Silvester.

The Mayors' Dinner will recognize Lynda Silvester for her exceptional work in promoting child literacy and working with the community to launch innovative educational programs in Waterloo Region and beyond. Lynda's community development approach has focused on building coalitions and community-wide approaches to create a community for our children to gain the skills, qualities and values to help them grow into healthy, productive community members.

Lynda is known as a community resource for fresh educational ideas and team building. Lynda is unique in that she has the ability to work with a group to shape a collective mission, but can just as easily get very practical about designing the steps necessary to advance that mission. Most people seem to gravitate towards either process or action, but Lynda is equally adept at both.

Lynda was integral in building Strong Start, a community-based volunteer-run children's literacy program, Get Ready for School, and a Baby Literacy Project. She served as volunteer Chairperson for the first community planning table for the Early Years Initiative and participated actively for many years on the Alliance for Children and Youth of Waterloo Region to establish and advance its goals. Lynda is widely recognized for her deep knowledge of how children learn and her passion for engaging others to build capacity and community.

*The Twenty-Third Annual Mayors' Dinner
in honour of*

Lynda Silvester

*Saturday April 10, 2010
Marshall Hall, Bingemans
Kitchener, Ontario*
