

# Volunteers

# Needed

During our 2017 season from mid-April to mid-November CAB will be promoting cycling all over Waterloo Region and we need your help!

## Help Promote CAB at Events!

Join our community outreach team of passionate environmentalists, cyclists, community builders and social innovators! CAB will be at events throughout the summer and we'd love your smiling face behind our booth as we build membership and increase awareness around the benefits of cycling culture!

## Become a CAB Ambassador!

We're looking for your help to give presentations at businesses and community organizations, mentor new riders, and spread the word about CAB. Whether you have 1 hour or 400 to give, we have a role that will work for you.

*New opportunities are added often! Email [bikeshare@theworkingcentre.org](mailto:bikeshare@theworkingcentre.org) to stay in the loop!*

## Weekly Maintenance

Adopt one of our stations! Volunteers help maintain our bicycles by ensuring weekly they're tuned up and in working order. Training provided and very flexible hours for the handily inclined. April – November, weekly or bi-weekly.

**Contact us and join our volunteer e-list!**
