

2026 Tax Year Walk-in Tax Clinic

The Working Centre is once again offering Income Tax Clinic support for people living on a limited income.

We will continue to offer tax clinic support as a walk-in and drop off clinic this year.

You can see a tax clinic helper to review your completed intake form and required papers starting on **March 2nd 2026** in person.

In-Person Walk-In

At the Resource Centre at 58 Queen Street South, Kitchener, you can pick up a copy of the list of documents and the intake form. You can complete the form at home and then return to The Working Centre to get them reviewed with a tax volunteer.

When you come with your completed documents, we will review your package with you before you leave to make sure we are not missing anything. As numbers of people determine, this might require a bit of a wait. This process is necessary to ensure we have the right documents and we can complete your return quickly.

We aim for a three week turnaround time. After that time, once your return is completed you can come to pick up your copy or we can mail it to you. You decide at the time you drop-off your paperwork. You will need to show ID when you pick up your package.

What if there is a Mistake?

If there is a mistake in your taxes you will receive a Notice of Assessment from the CRA. Please let us know if this happens and we will help with next steps. Also, if something is missed in the filing of your return, we can complete a request to modify your return. Please let us know if you have questions about your completed return.

Please contact us at taxclinic@theworkingcentre.org if you have any questions.
